

Post Activity Evaluation Section 1

As a result of this Seminar,

1. I am able to correctly assess patient pupils and functional visual fields.

Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree	N/A
1	2	3	4	5	

Comments:

2. I am able to design and implement an effective optometric phototherapy treatment program using advanced concepts to improve outcomes for patients with complex visual conditions.

Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree	N/A
1	2	3	4	5	

Comments:

3. I have identified changes for implementation in my optometric practice.

Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree	N/A
1	2	3	4	5	

Comments:

4. I will significantly change the way I diagnose and care for my patients.

Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree	N/A
1	2	3	4	5	

Comments:

5. After implementing what I learned, I expect positive changes in my patients' outcomes.

Post Activity Evaluation Section 2

Based on your participation this weekend, please summarize what you learned.

1. As a result of the education, I plan to (circle all that apply).
 - a. Seek additional reading related to the optometric education
 - b. Share the information I learned, and collaborate with colleagues
 - c. Research supplementary information and education to support my learning
 - d. Alter the methods in which I diagnose and care for my patients

2. Describe your motivation for implementing changes in your optometric practice.

3. By implementing these changes, what do you believe will be improved?
(circle all that apply)
 - a. Knowledge of doctors and staff
 - b. Performance of doctors and staff
 - c. Patient care
 - d. Patient outcomes
